## GUIDELINES

The aim of these guidelines is to create a safe environment both within the toddler group.

### **Buggies**

Please park buggies in the lobby area outside the Spire Room.

### **Registration**

Please come to the registration table where you will be signed in. Please cross out your name if you leave before the end of the session. It is very important that you take the time to do this because it is a record of who is there – vital information in the case of a fire!

### **Registration forms**

The leader will give you a registration form to complete.

### **Refreshments**

We try to serve tea and coffee as safely as possible, but please keep a close eye on your child. We also try not hand out biscuits to children unless you are there. This is to give you control over what and how much your child eats.

### **Craft**

Occasionally, there may be craft activities. Please accompany and supervise your child when they are at the craft table.

### **Behaviour**

You are responsible for the behaviour of the child/ren you bring with you. We ask that you supervise them especially if there is craft or play dough and also on the slides and rockers, to ensure the safety and well-being of all who attend

### **Nappies**

We do not provide nappy bins and ask that you take any dirty nappies and wipes with you when you leave.

Thank you for your cooperation.
